To: All associates of Lakelands Concrete

Lakelands Concrete Products Inc is pleased to announce our change in ownership. Please join us in welcoming Adam and Stacy Stevens.

Since its inception in 1951 The Clarke family has owned and operated Lakelands Concrete Products. Three generations have worked hard to create what Lakelands has become today, with each generation growing the company and adding more products to the lineup, all while maintaining the high quality the industry expects.

The Stevens family is honored to have the opportunity to be the next generation of Lakelands owners. We will strive to continue to maintain the relationships formed over the years, create new ones and to deliver the best products and services while maintaining high quality.

Please feel free to contact Stacy Stevens with any questions, comments, or concerns.
